

Attract More Business and Improve Your Clients' Success

Helping Our Vendors Manage Customers Better

StarChapter helps **AMCs, Administrators and Executive Directors** expand their business while increasing membership, attendance and revenues for associations and chapters they manage.

The StarChapter Preferred Vendor Program (SPVP) makes it easy for current and prospective customers to select the best, prequalified third party consultants to work with, such as association management companies, administrators, and executive directors.

The SPVP Goal is to increase the quality and scope of business for both StarChapter and its preferred vendors.

- ✓ Marketing Materials to Boost Company Recognition
- ✓ Access Special Pricing
- ✓ Referral Fee of \$100 for Every New Client

I've been working with Star Chapter for 5+ years and we have moved from one client to 19 AMC clients on the system. It is easy to use, affordable and has wonderful support. This is my top recommendation for a website for our clients at AMC!
